Publications list

November 2007

Most OHCHR publications are published in all six official languages of the United Nations: Arabic (A), Chinese (C), English (E), French (F), Russian (R) and Spanish (S).

- Publications marked with a (w) are available for downloading free of charge from the OHCHR website (<http://www.ohchr.org> – select *About OHCHR*, then *Publications*).
- Publication titles marked with an asterisk (*) are United Nations sales publications and may be purchased from bookstores and distributors throughout the world. For more information about United Nations sales publications, please visit <https://unp.un.org>, if you live in North America, Latin America, Asia or the Pacific, or <http://www.unog.ch/bookshop>, if you live in Europe, Africa or the Middle East.
- In addition, non-governmental human rights organizations may use the form below to order publications for *specific* information and training activities from the OHCHR Publications Desk. Such organizations are urged to place their orders well in advance, as the publications will, wherever possible, be made available for pick-up at a nearby United Nations office. (Please note that quantities are *limited* and a blacked-out space on the list means that the publication is out of stock.)
